

# CASCO BAY DISTRICT ROUNDTABLE

*"Every boy deserves a trained leader."* – Sir Robert Baden-Powell

Roundtable is an ongoing supplemental training which enables Scout Leaders to deliver the best program experience possible in the Unit. Scouting is ever-changing. Roundtable is your best source for up-to-date, live information on program changes and updates, offering practical experience on how to implement these changes in your Unit. Roundtable is a fun, interactive experience that lets you ask questions and share experiences with other Leaders across the District all facilitated by a trained Round Table Commissioner.

If you have questions, programing suggestions or other needs, please contact your Roundtable Commissioner.
