

## EAGLE REQUIREMENTS COMPLETE

The scout needs to complete all Eagle requirements prior to submitting their final package to Council in preparation for a Board of Review. The deadline for submission for Casco Bay is the 20<sup>th</sup> of the month.

A 'Yearbook Information' sheet is also included in the letter to the scout. It should be completed and brought to the Board of Review. The scoutmaster is asked to bring an Advancement Form to the review.

### Common Issues:

- **Signatures:** The Candidates Promise is **OFTEN** missing.
- **The 3 Letters of Recommendation need to be sent to Council.** It is best if they're available when the committee reviews the entire package. The committee does not phone references.
- **Don't forget the application!**
- **Don't forget the Letter of Ambition and Listing of Leadership Positions.**
- The 6 months of leadership must be **AFTER** you've reached the rank of Life Scout. It doesn't count before that.
- Be sure to update the contact information. Projects can take over a year and scoutmasters sometimes move. This is the address I use to send the Board of Review invitation.
- **Don't wait!** Project delays are common because of weather, obtaining building permits and/or fundraising. Give yourself time to get it all done.
- *NOTE: All requirements for Eagle Scout must be completed before the candidate's 18th birthday. The Eagle Scout board of review can be held after the candidate's 18th birthday.*
