

BOARD OF REVIEW AND APPROVALS

For Casco Bay, the Boards of Review are held on the first Thursday of every month (except around holidays).

Parents are welcomed but cannot attend their scout's BOR. They are welcome to sit in on another one.

Common Issues:

- Things usually go smoothly at this point.
- If you forget the Advancement Form or Yearbook Information sheet, ask me for one at the review. I have a few extras.
 - The Yearbook Information sheet is available on the PTC website.
 - Advancement Forms are available for free at the Scout Shop.

Although uncommon, if a scout is not approved, the Advancement Guide identifies the next steps in the process.
